Dear Department of Education,

I am currently a student of Ashford University's online program. I am contacting you in regards to the Department Of Education's 34 CFR Chapter VI Negotiated Rulemaking. I have been enrolled in the Social Science program since June of 2008. My experience has been a very positive one. Ashford University has allowed me some credit for my previous educational endeavors and I look forward to earning my Bachelor's Degree by March 2010. I encourage you to take my email into consideration in your deliberations.

I hope that your rulemaking will allow other students like me to have the same access, as I have, to an Ashford University education.

Sincerely,

[REDACTED]
