What Is the Amount of Assistance and How May It Be Used?

§692.110 How does the Secretary allot funds to the States?

(a)(1) The Secretary allots to each State participating in the GAP Program an amount of the funds available for the GAP Program based on the ratio used to allot the State’s Federal LEAP funds under §692.10(a).

(2) If a State meets the requirements of §692.113(b) for a fiscal year, the number of students under §692.10(a) for the State is increased 125 percent in determining the ratio in paragraph (a) of this section for that fiscal year.

(3) Notwithstanding paragraph (a)(1) and (2) of this section--

(i) If the Federal GAP funds available from the appropriation for a fiscal year are sufficient to allot to each State that participated in the prior year the same amount of Federal GAP funds allotted in the prior fiscal year, but are not sufficient both to allot the same amount of Federal GAP funds allotted in the prior fiscal year to these States and also to allot additional funds to additional States in accordance with the ratio used to allot the States’ Federal LEAP funds under §692.10(a), the Secretary allots--

(A) To each State that participated in the prior year, the amount the State received in the prior year; and

(ii) Information that a student’s eligibility for a LEAP Grant under GAP is enhanced through participation in an early information and intervention, mentoring, or outreach program;

(vi) Any additional requirements that the State may require for receipt of a LEAP Grant under GAP in accordance with §692.120(a)(4); and

include a provision that eligibility for an award is subject to change based on—

(i) Issue the student a preliminary award certificate for a LEAP Grant under GAP with estimated award amounts; and

(ii) Inform the student that the payment of the grant is subject to certification of enrollment and eligibility by the institution.

(2) If a student enrolls in an institution that is not a partner in the partnership of the student’s State of residence but the State has not restricted eligibility to students enrolling in partner institutions, including, if applicable, out-of-State institutions, the State shall, to the extent practicable, follow the procedures of paragraph (e)(1) of this section.
