Team II – School-based Loan Issues

Origin: HEOA section 488(a)

Issue: Information and Dissemination Activities

Statutory cites: HEA section 485(a)

Regulatory cites: §668.42

Summary of issue: As part of the required information an institution must make available to prospective and enrolled students, the HEOA added a general requirement that the institution describe the terms and conditions of the loans students receive under the FFEL, Direct Loan and Perkins Loan programs. The HEA and current regulations—in 34 CFR §668.42(a)(1)—require that an institution provide a description of all student financial assistance programs to prospective and enrolled students. The new statutory provision expands the information that institutions must provide to include the terms and conditions of the loans.

For students receiving financial assistance, current regulations—in 34 CFR §668.42(c)(4)—require an institution to provide specific information about any loan received by the student as part of the aid package.
The HEOA also deleted the specific statutory requirement that institutions provide information about the terms and conditions under which FFEL and Perkins Loans could be deferred for service under the Peace Corps or Domestic Volunteer Service acts.
