

An illustration of one way institution level data can be misleading: Annual D/E Rates for Institution X (97 programs)

The solid line (D/E=8) denotes the pass threshold. The dashed line (6.01) is the weighted average of D/E rates across program (an approximation of the institution level D/E rate). Note the INSTITUTION D/E is passing, but 31 of 97 PROGRAMS are failing. Data are from DMYR 2015 Final GE rates available at <https://studentaid.ed.gov/sa/about/data-center/school/ge>.
