Dear Ms. Littlejohn;

This is in response to your letter to the U.S. Department of Education's Office of Special Education Programs (OSEP) in which you request approval to add program income to funds committed to the State of Louisiana's grant under Part B of the Individuals with Disabilities Education Act (Part B). It is our understanding that the program income in question was generated as a result of registration fees assessed on participants at conferences conducted by the State of Louisiana Department of Education.

In accordance with the Education Department General Administrative Regulations at 34 CFR §80.25(g)(2), and based upon your request of January 6, 2002, OSEP approves your request to add the program income to the Part B grant award. As stated in your request, the program income will be used for the purposes and under the conditions of the grant agreement to which they apply.

Sincerely,

Stephanie S. Lee  
Director  
Office of Special Education Programs
