Dear Dr. Zirkel:

Thank for your letter regarding interlocutory appeals in two-tier states. I apologize for the delay in responding to your question. Neither the Individuals with Disabilities Education Act (IDEA) nor the regulations implemented pursuant to this Act address interlocutory appeals. Therefore, whether or not interlocutory appeals are allowed is a State decision. However, the State needs to ensure that the timeline provisions of 34 CFR §300.512 are met, even if there is an interlocutory appeal.

If you need further assistance, please contact Dr. JoLeta Reynolds of my office at (202) 205-5507.

Sincerely,

Stephanie S. Lee
Director
Office of Special Education Programs
