

**U.S. DEPARTMENT OF EDUCATION FACT SHEET****Section 2014 of the American Rescue Plan Act of 2021 and the Individuals with Disabilities Education Act**

Part B and Part C of the Individuals with Disabilities Education Act (IDEA) authorize assistance to States to support the provision of special education and related services to children with disabilities and the provision and coordination of early intervention services for infants and toddlers with disabilities and their families, respectively. Section 2014(a) of the American Rescue Plan Act of 2021 (ARP) provided more than \$3 billion in supplemental funding for Fiscal Year 2021 for the three IDEA formula grant programs described below:

- \$2,580,000,000 for IDEA Part B Grants to States (Section 611)
- \$200,000,000 for IDEA Part B Preschool Grants (Section 619)
- \$250,000,000 for IDEA Part C Grants for Infants and Families

This document provides an overview of the major statutory and regulatory requirements for IDEA Part B and Part C. Supplemental funding made available by the ARP is subject to the same requirements as Federal fiscal year (FFY) 2021 IDEA funding made available under Public Law 116-260 (The Consolidated Appropriations Act of 2021).

Part B of the IDEA provides funds to eligible States and entities under the Grants to States program authorized by section 611 of IDEA for children with disabilities aged three through 21 and the Preschool Grants program authorized by section 619 of IDEA for children with disabilities aged three through five. The IDEA Part B funds assist States, and through them, eligible local educational agencies (LEAs), in providing special education and related services to children with disabilities. Part B funds are awarded to each State educational agency (SEA) that has established its eligibility under section 612 of IDEA for IDEA Part B funds to assist in providing special education and related services to eligible children with disabilities.<sup>1</sup> States are required to distribute any IDEA section 611 and section 619 funds that the State does not reserve for State-level activities<sup>2</sup> to LEAs that have established their eligibility under section 613 of IDEA under a statutory formula and must be used only to pay the excess costs of providing special education and related services in accordance with part B of IDEA.<sup>3</sup> All IDEA Part B ARP funds must be used consistently with the current IDEA Part B statutory and regulatory requirements.

---

<sup>1</sup> See also 34 C.F.R. § 300.100.

<sup>2</sup> States are limited in the amount they may reserve for State-level activities by the formula in 34 C.F.R. § 300.704.

<sup>3</sup> 34 C.F.R. §§ 300.705(a) and 300.815; see also 34 C.F.R. § 300.202(a)(2).

Part C of the IDEA provides funds to each State lead agency designated by the Governor to implement statewide systems of coordinated, comprehensive, multidisciplinary, interagency programs to make early intervention services available to infants and toddlers with disabilities and their families. All IDEA Part C ARP funds must be used consistently with the current IDEA Part C statutory and regulatory requirements. IDEA Part C ARP funds may be used for any allowable purpose under Part C of the IDEA, including the direct provision of early intervention services to infants and toddlers with disabilities and their families, and implementing a statewide, comprehensive, coordinated, multidisciplinary, interagency system to provide early intervention services.

Under Public Law 116-260, (The Consolidated Appropriations Act of 2021) States may use IDEA Part C FFY 2021 and IDEA Part C ARP funds allotted under section 643(c) of the IDEA to make subgrants to LEAs, institutions of higher education, other public agencies, and private non-profit organizations to carry out activities authorized by section 638 of the IDEA. States may also apply for state incentive grants (SIGs) to fund the Part C extension option under IDEA sections 635(c) and 643(e) and 34 C.F.R. §§ 303.211 and 303.734.

The additional IDEA Part B and Part C funds that section 2014 of the ARP made available for States, in addition to State IDEA Part B and Part C formula grant awards for Federal fiscal year (FFY) 2021, are subject to all IDEA statutory requirements reflected in 20 U.S.C. 1401 et seq. and applicable regulatory requirements in 34 CFR Parts 300 and 303. These statutory and regulatory provisions apply to IDEA grant awards, and include requirements and provisions under [IDEA](#), the Education Department General Administrative Regulations ([EDGAR](#)), applicable provisions of the General Education Provisions Act (GEPA), and the Office of Management and Budget’s (OMB) Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ([Uniform Guidance](#)). State allocation summary tables for FFY 2021 IDEA Part B and Part C grant awards (including both the regular formula grant funds and the supplemental IDEA grant funds provided under section 2014 of the ARP) are available on the [IDEA ARP](#) page in the linked locations.

The table below describes major statutory and regulatory requirements of IDEA Part B and C. These requirements apply equally to funds made available under the ARP and the Consolidated Appropriations Act of 2021. The table below is intended to highlight key topics with links to statutory and regulatory text, but is not a comprehensive list of all requirements.

<b>Reservation of IDEA funds for State administration and other State-level activities</b>	<p>IDEA allows States to reserve funds for State level activities (State administration and other State-level activities) for both sections 611 and 619. However, because the provisions governing the maximum amount of funds that may be reserved are slightly different for section 611 and section 619, the impact of the additional ARP funds is different.</p> <p>For section 611, the amounts that States may reserve for State administration and other State-level activities are set in accordance with section 611(e) of the IDEA. Under these provisions the maximum amount that a State may reserve is subject to rate of inflation and not the total amount of IDEA funds made available. Under these provisions the maximum amount that a State may reserve is determined by the lesser of (1) the increase in the State’s allocation under the program, or (2) the rate of inflation. As a result of the additional ARP Act funding, there was a small increase in the amount that States may reserve compared to FFY 2020.</p>

<p><b>LEA MOE Exceptions</b></p>	<p>Under section 613(a)(2)(B) of the IDEA and 34 C.F.R. § 300.204, there are five instances where an LEA may reduce the level of expenditures for the education of children with disabilities made by the LEA below the level of those expenditures for the preceding fiscal year (for the compliance standard), and below the level of those expenditures for the most recent fiscal year for which information is available (for the eligibility standard). <b>Adjustment to Local Effort</b>	<p>Under section 613(a)(2)(C) of the IDEA, for any fiscal year that an LEA's IDEA allocation exceeds the amount the LEA received for the previous fiscal year, under certain circumstances, the LEA may reduce the level of local, or State and local, expenditures otherwise required to meet MOE by up to 50 percent of the amount of the excess, as long as the LEA uses the freed-up local funds for activities that could be supported under the ESEA.</p> <p>Note that an LEA may not take this reduction if the SEA determines that the</p>

Also, an LEA that is required to reserve the maximum 15 percent of its IDEA Part B allocation on Comprehensive Coordinated Early Intervention Services (CCEIS) because the LEA is identified with significant disproportionality under 34 C.F.R. § 300.646 will not be able to take advantage of the MOE reduction in 34 C.F.R. § 300.205(a).</p> <p>In addition, under IDEA section 616(f), if in making its annual determinations, an SEA determines that an LEA is not meeting the requirements of Part B, including meeting targets in the State's performance plan, the SEA must prohibit that LEA from reducing its MOE under IDEA section 613(a)(2)(C) for any fiscal year. Therefore, an SEA must prohibit an LEA from taking advantage of the MOE reduction under IDEA section 613(a)(2)(C) if the LEA's determination is Needs Assistance, Needs Intervention, or Needs Substantial Intervention.</p>

<b>Part C Option</b>		Under the reservation for State incentive grants in section 643((e) of the IDEA, for any fiscal year for which the amount appropriated pursuant to the authorization of appropriations under section 644 of this title exceeds \$460,000,000, the Secretary shall reserve 15 percent of such appropriated amount to provide grants to States that are carrying out the policy described in section 635(c) of this title in order to facilitate the implementation of such policy.
<b>Equitable Services Reservations</b>	Under section 612(a)(10)(A)(i) of the IDEA, to the extent consistent with the number and location of children with disabilities in the State who are enrolled by their parents in private elementary schools and secondary schools in the school district served by an LEA, provision is made for the participation of those children in the program assisted or carried out under Part B by providing for such children special education and related services in accordance with the equitable services requirements in IDEA. 34 C.F.R. §§ 300.130-300.144. Amounts to be expended for the provision of those services (including direct services to parentally placed private school children) by the LEA shall be equal to a proportionate amount of Federal funds	N/A

In calculating the proportionate share required under IDEA section 612(a)(10)(A)(i)(I), an LEA must first aggregate the FFY 2021 funds received under the section 611 (Grants to States) regular and ARP awards and apply the formula outlined in 34 C.F.R. § 300.133 for calculating the proportionate share to the aggregated amount. Similarly, for children aged 3-5, the proportionate share is based on the total FFY 2021 funds received under the section 619 (Preschool Grants) regular and ARP awards.</p>
