

21<sup>st</sup> Century Community Learning Centers (CCLC)

Program

2017 Summer Institute

Philadelphia, PA

July 24-28

**Overview of the 2015 Annual  
Performance Report**

# Who we serve...

Based on the available data, the key findings from the 2015 Annual Performance Report (APR) (most recent report)

- In 2015-2016, over 1.8 million people (students, families, others) have been served by this program:
  - academic year total student attendees (n = 1,405,722), including regular student attendees (n = 752,008)
  - summer attendees (n = 279,314), and
  - adults/family members (n = 183,461).
- Overall, there was an even split between male (49.2%, n = 687,464) and female (48.2%, n = 673,800) attendees.
- In terms of race/ethnicity, the majority of the attendees (84.5%) were identified as Hispanic or Latino (35.9%, n = 504,661), with White (27.8%, n = 391,422) and Black or African American (20.8%, n = 292,260) following.
- 48.0% reported a percentage of improvement in mathematics grades.
- 48.5% reported a percentage of improvement in English grades.
- 28.4% reported a percentage of improvement on state assessments in elementary reading and 22.6% in middle/high school mathematics.
- 65.2% of teachers reported a percentage of improvement in homework completion and class participation.
- 56.8% of teachers reported a percentage of improvement in student behavior.

**Note: *Regular* is defined as attendance for 30 days or more during the academic year.**

Other	8,740	7.6%	1,309	4.2%
<b>Total</b>	<b>115,000</b>	<b>100.0%</b>	<b>31,319</b>	<b>100.0%</b>

# What does the data tell us?

- We served over 1.8 million people over the year
- Many students have a safe place to go afterschool while engaging in continuous academic and enrichment activities
- The program is offered in schools and many different types of organizations across the community
- Parents, community members, teachers, and other educators volunteer to bring services to students and families
- Students engage in a variety of activities through the 21<sup>st</sup> CCLC program
