The Honorable Arne Duncan
Secretary of Education
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, D.C. 20202

Dear Secretary Duncan:

The attached document contains the Commonwealth of Virginia's application for funding available under the Education Jobs Funds. I respectfully request your review and approval of the application.

Virginia's application is being submitted for the benefit of its local school divisions and students to provide additional staff support and resources that otherwise might not be available. Virginia is submitting a state level application so that each individual school division is not required to apply on its own and in order to use state funding formulas for distribution of the funds.

Virginia will work with its legislature, Department of Education, educators, and citizens to keep its educational system improving.

Thank you for your continued leadership and commitment to education.

Sincerely,

Robert F. McDonnell
