STATE APPLICATION PROCESS

- Temporary Emergency Impact Aid for Displaced Students is a program that makes grants to States for the purpose of making payments to LEAs, BIE-funded, and non-public schools for costs associated with educating displaced public and non-public school students during the 2018-2019 school year.
- This application process requires that a State applying to receive a grant collect LEA, BIE-funded, and non-public school 2018-2019 quarterly student count data for (1) displaced students with disabilities, (2) displaced English learners without disabilities, and (3) all other displaced students.
- The Department has identified four suggested quarterly count dates for identifying numbers of eligible displaced students: (1) October 1, 2018; (2) December 1, 2018; (3) February 1, 2019; and (4) April 1, 2019.
