INSTRUCTIONS:

Section 75.720 of Education Department General Administrative Regulations (EDGAR) requires Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) State and Partnership grantees to submit an Annual Performance Report (APR). The U.S. Department of Education (Department) uses APRs to help determine if projects are making substantial progress in accomplishing the goals and objectives of the project. Continuation funding is based on, in part, grantees making annual substantial progress. The Government Performance and Results Act of 1993 also requires that APR data is used to assess the GEAR UP program as a whole.

The APR consists of a cover sheet and six sections. The cover sheet must be completed and signed by the project director and the authorized representative and returned to the Department along with the six sections on or before the due date. A separate announcement including these instructions and the due date will be emailed to each grantee annually. Grantees are expected to complete all questions in the APR except when otherwise stated. Please define all terms specific to your program and spell out all acronyms the first time they are used.

<u>Reporting Period</u>		Relevant Sections
<u>New Grantee (Year 1)</u> From start date of performance period to March 31	If you are reporting on your first year of implementation, the reporting period includes the time period from the beginning of the grant through March 31 st of the current calendar year. Example: For new awards issued in FY 2019, the reporting period will be from October 2019 to March 31, 2020.	Sections I, II, IV, V, and VI
<u>Continuing Grantee (Years 2 thru 6 or 7)</u> From the beginning to end of the previous academic school year	If you are reporting on years two through six or seven, your reporting period is the prior academic school year, which would traditionally include the fall, spring, and summer term of the prior academic school year.	Sections I, II, IV, V, and VI

<u>Budget Period</u>		Relevant Section
<u>New and Continuing Grantee (Years 1 thru 6/7)</u> From the beginning to the end of the budget reporting period	The budget reporting period is consistent with the annual budget periods established by your new and continuation Grant Award Notification (GAN). New and continuing grantees must report on actual and anticipated expenditures, as well as anticipated carryover.	Section III

SECTION I: EXECUTIVE SUMMARY

The mission of the GEAR UP program is to significantly increase the number of low-income students who are prepared to enter and succeed in postsecondary education. Please provide a brief description (no more than 1350 words, or approximately three pages) of the current status of your project. Describe the extent to which you have implemented all program activities and components planned for this reporting period, highlighting your major outcomes, successes, and challenges as they pertain to:

- (a) Improving the academic performance of GEAR UP students;
- (b) Increasing educational expectations of participating students and their parents, guardians, or family members;
- (c) Improving knowledge regarding postsecondary education preparation and financing for students and their parents, guardians, or family members; and
- (d) Working to improve high school graduation and postsecondary enrollment rates.
- (e) What aspects of your program do you think are most successful (have the greatest impact)? Why?

SECTION II: ADMINISTRATIVE INFORMATION

1. Describe any significant changes in your project design since the approval of your grant application that did not require prior approval from the Department- e.g., changing from individual tutoring to group tutoring or placing more emphasis on enrichment activities rather than remediation (no more than 1,000 words, or approximately two pages.)

Note: Changes that require prior approval from the Department should be submitted directly to your program specialist and not through your APR.

2. Describe the most significant barriers or challenges that were encountered while implementing and/or administering your project. Please describe what steps you have taken to address these barriers and challenges (no more than 1,000 words, or approximately two pages).

3. Please provide any additional information about your project that you think would be helpful to the Department in evaluating your performance or understanding the contents of your annual report (no more than 500 words, or approximately one page).

4. Please list the names and titles of key personnel, mark the source of payment (GEAR UP Federal funds or non-Federal funds), and the percentage of time each individual spends working on the grant. (If the percentage of time is not available, you may indicate the number of hours that individual was paid with GEAR UP funds instead.)

Note: Do not request changes of key personnel or the addition/elimination of position(s) here. As required by the Uniform Guidance (200.308(c)(ii)), that type of request is a change that requires prior approval by the Department before the personnel action is taken and must be addressed separately from this report. Your response here should be a summary of approved and completed changes that have taken place during this reporting period.

6. Please complete the following table. List all partners and indicate with an “X” whether they are original partners listed in the application or new partners added during implementation. If any of these partners have become inactive and are no longer participating in the grant, please indicate this with an “X” in the column provided. If a partner is new, indicate with an “X” if you have provided the program office with a Partner Identification Form and Cost Share Worksheet to update the application. As required by the Uniform Guidance (200.308(c)(i) and (c)(vii)), that type of request is a change that requires prior approval by the Department and must be addressed separately from this report. 5. Indirect Cost Agreement. Indirect cost reimbursement on a training grant is limited to the recipient's actual indirect costs (see EDGAR section 75.562), as determined by its negotiated indirect cost agreement, or eight percent of the modified total cost base, whichever amount is less. In order to claim an indirect cost on next year's budget, the grantee must provide information on their current agreement.

If a negotiated indirect cost agreement was not awarded, a grantee using the training rate of eight percent is required to have documentation available for audit that shows that its indirect rate equals or exceeds the eight percent. Please indicate whether your program officer has documentation of your attempt to secure an indirect cost agreement: Yes ☐ No ☐

(c) ☐ Do not claim indirect cost.

This data should be reflective of scholarship activity during this reporting period. States must report, annually to the Secretary, information on Federal and non-Federal reserved funds held for GEAR UP scholarships and the disbursement of these funds to eligible students until these funds are fully expended or returned to the Secretary. Scholarship funds are subject to audit or monitoring by authorized representatives throughout

the life of the fund. When entering the numbers of students in the “Total” column, please provide an unduplicated number.
