- Enter your first name, last name and email address as requested on the right side of the screen.
- Once the information is entered correctly you will be directed to download any necessary plugins to start your WebEx meeting.
- Click the green Join Now button to join the webinar. Please note that if the webinar has not been started yet the Join Now button will not be available.
- You can choose to listen to the audio through your computer or use the dial in information provided under event information on the webinar screen.
 - Audio conference: US Toll +1-415-655-0002
 - Access code: 61386135

If you are not hearing any sound, try the following:

- Make sure you are connected to the audio conference. When connected, a phone or headset icon should appear next to your name in the Participants panel.
- Use the Audio and Video Connection or Computer Audio Settings under the Audio menu, to make sure you have selected the right speaker to use for audio.
- If connected using your computer, try increasing the volume on your speakers or headset.
- Make sure the host or presenter is speaking. When they are talking, you should see blue waves coming from their phone or microphone icon.
- Make sure your speakers or headset are connected properly. Try leaving the meeting and/or restarting your computer, then rejoin.
- Try joining the meeting via phone conference.
- Please contact HEPCAMP@longevityconsulting.com for additional technical assistance.
