Table 4: Feeder School - Enrollment Data

- For each feeder school, identify the magnet school(s) to which the feeder school would send students. If a feeder school would send students to all magnet schools at a particular grade level (for example, Elementary Feeder School "X" would send students to all of the elementary magnet schools participating in the project, indicate "All" in the "Magnet" column associated with Elementary Feeder School "X".
- The enrollment data projections for Years 1, 2 and 3 of the project should show what the enrollment of feeder schools would be expected to be if the magnet school or schools in the project are successfully implemented.
- Use additional sheets, if necessary.
