

Table 5: Selection of Students-Competitive Preference 3

Instructions:

For each magnet school included in the project:

- Indicate whether or not academic examination is used as a factor in the selection of students for the magnet school and, if so, how it is used.
- Briefly describe how students are selected (e.g., weighted lottery, first come/first served, etc.). In the description, identify the criteria that are used, if any, in selecting students and indicate how each of those criteria is used in the process.
- If the same process and use of academic criteria applies to more than one of the magnet schools included in the project, in the “Magnet School (s)” identify all of the schools for which the student selection process applies.
- Use additional sheets or space, if necessary.
- Information on the student selection processes used by other magnet schools (i.e., magnet schools that are not included in the project) is not needed.
