The valid OMB control number for this information collection is 1820-0028. Public reporting burden for this collection of information is estimated to average 45 hours and 40 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain a benefit (P.L. 108-446, Sec. 650 and 682). If you have comments or concerns regarding the status of your individual submission of this form, please contact the Office of English Language (OELA), U.S. Department of Education, 400 Maryland Avenue, SW, Washington D.C. 20202-5076 or by email [NAM@ed.gov](mailto:NAM@ed.gov).

UNITED STATES DEPARTMENT OF EDUCATION  
OFFICE OF ENGLISH LANGUAGE ACQUISITION

Dear Applicant:

Thank you for your interest in the Native American and Alaska Native Children in School (NAM) program, administered by the Office of English Language Acquisition of the U.S. Department of Education (Department). The purpose of the NAM program is to award grants to eligible entities to develop and enhance capacity to provide effective instruction and support to Native American students, including Alaska Native, Native Hawaiian and Native American Pacific Islander children, who are identified as English learners (ELs). The goal of this program is to support the teaching, learning, and studying of Native American languages while also increasing the English language proficiency and academic achievement of students served.

Please take the time to review the applicable priorities, requirements, definitions, selection criteria, and all the application instructions thoroughly. An application will not be evaluated for funding if the applicant does not comply with all of the procedural rules that govern the submission of the application or the application does not contain the information required under the program (EDGAR §75.216 (b) and (c)).

In the FY 2023 competition, the NAM program has one absolute priority, and two invitational priorities. For additional information about the priorities refer to the Notice Inviting Applications for New Awards for FY 2023 in this package.

For this competition it is mandatory for applicants to use the government-wide website, Grants.gov (<http://www.grants.gov>), to apply. We strongly encourage you to familiarize yourself with Grants.gov and strongly recommend that you register *and* submit early.

Using FY 2023 funds, the Department expects to award \$2,100,000 for new grants under this competition. We will award discretionary grants on a competitive basis for a project period of up to 60 months. Grants are expected to be awarded in August 2023.

Please visit our program website at <http://www2.ed.gov/programs/naancs/index.html> for further information. If you have any questions about the program after reviewing the application package, please send email to [NAM@ed.gov](mailto:NAM@ed.gov).

Sincerely,

/s/

---

Montserrat Garibay  
Acting Assistant Deputy Secretary and Director  
Office of English Language Acquisition  
U. S. Department of Education

## **READY to APPLY?**

---

Before you begin preparing your FY 2023 NAM application, please make sure that you can answer YES to the following questions:

- Have you downloaded and reviewed the FY 2023 [NAM NIA from the Federal Register](#)?
- Have you downloaded and reviewed the FY 2023 [NAM Application Package](#) documents and [forms](#)?
- Have you downloaded the [NAM program statute](#)?
- Have you downloaded and reviewed the [NAM FAQ document](#)?
- Have you reviewed the instructions for electronic submission of your application in the NIA, the [Common Instructions for Applicants to Department of Education Discretionary Grant Programs](#) (Common Instructions)?
- Have you allocated sufficient time for necessary steps, such as obtaining a Unique Entity Identifier (UEI) and a Taxpayer Identification Number (TIN) and registering on the [System for Award Management](#) (SAM). Please note that these registration processes could take weeks and trying to submit your application immediately prior to the deadline may not work. Many people may be attempting to submit applications through grants.gov and it is possible that yours may not be processed in time. If this happens a second past the application deadline, and you have not been granted an extension according to the Common Instructions, your application will not be accepted.

If you answered **“YES”** to each of the above questions, you’re ready to begin working on your application.

# III. Application Submission Procedures

## Submission Procedures

### GRANTS.GOV SUBMISSION PROCEDURES & TIPS for APPLICANTS

---

#### IMPORTANT – PLEASE READ FIRST

U.S. Department of Education

Grants.gov Submission Procedures and Tips for Applicants To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

#### Browser Support

The latest versions of Microsoft Internet Explorer (IE), Mozilla Firefox, Google Chrome, and Apple Safari are supported for use with Grants.gov. However, these web browsers undergo frequent changes and updates, so we recommend you have the latest version when using Grants.gov. Legacy versions of these web browsers may be functional, but you may experience issues. Grants.gov no longer provides support for Microsoft Internet Explorer 9 or below.

For additional information or updates, please see the Grants.gov Browser information in the Applicant FAQs: <http://www.grants.gov/web/grants/applicants/applicant-faqs.html#browser>

#### ATTENTION – Workspace, Adobe Forms and PDF Files

Grants.gov applicants can apply online using Workspace. Workspace is a shared, online environment where members of a grant team may simultaneously access and edit different web forms within an application. For each funding opportunity announcement (FOA), you can create individual instances of a workspace. Below is an overview of applying on Grants.gov. For access to complete instructions on how to apply for opportunities, refer to: <https://www.grants.gov/web/grants/applicants/workspace-overview.html>

- 1) Create a Workspace: Creating a workspace allows you to complete it online and route it through your organization for review before submitting.
- 2) Complete a Workspace: Add participants to the workspace to work on the application together, complete all the required forms online or by downloading PDF versions, and check for errors before submission. The Workspace progress bar will display the state of your application process as you apply. As you apply using Workspace, you may click the blue question mark icon near the upper-right corner of each page to access context-sensitive help.
  - a. Adobe Reader: If you decide not to apply by filling out web forms you can download individual PDF forms in Workspace. The individual PDF forms can be downloaded and saved to your local device storage, network drive(s), or external drives, then accessed through Adobe Reader.  
NOTE: Visit the Adobe Software Compatibility page on Grants.gov to download the appropriate version of the software at: <https://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>
  - b. Mandatory Fields in Forms: In the forms, you will note fields marked with an asterisk and a different background color. These fields are mandatory fields that must be completed to successfully submit your application.

c. Complete SF-424 Fields First: The forms are designed to fill in common required fields across other forms, such as the applicant name, address, and Unique Entity Identifier (UEI) Number. Once it is completed, the information will transfer to the other forms.

- 3) Submit a Workspace: An application may be submitted through workspace by clicking the Sign and Submit button on the Manage Workspace page, under the Forms tab. Grants.gov recommends submitting your application package at least 24-48 hours prior to the close date to provide you with time to correct any potential technical issues that may disrupt the application submission.
- 4) Track a Workspace Submission: After successfully submitting a workspace application, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the application. The number will be listed on the Confirmation page that is generated after submission. Using the tracking number, access the Track My Application page under the Applicants tab or the Details tab in the submitted workspace.

For additional training resources, including video tutorials, refer to <https://www.grants.gov/web/grants/applicants/applicant-training.html>.

### Helpful Reminders

- 1) **REGISTER EARLY** – Grants.gov registration involves many steps including registration on SAM ([www.sam.gov](http://www.sam.gov)), which usually takes approximately 7 to 10 business days, but can take longer depending on the completeness and accuracy of the data entered into the SAM database by an applicant. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the Registration steps are complete. Please note that once your SAM registration is active, it will take 24-48 hours for the information to be available in Grants.gov, and before you can submit an application through Grants.gov. For detailed information on the Registration Steps, please go to: <http://www.grants.gov/web/grants/register.html>. Please note that your organization will need to update its SAM registration annually.

To register in SAM.gov, click on the “Get Started” link under the “Register Your Entity...” heading in SAM.gov. Grantees, and other entities wanting to do business with the U.S. Department of Education (e.g., entities applying for a grant), that are not already registered in SAM.gov must complete the “Register Entity” registration option and NOT the “Get a Unique Entity ID” option. The “Get a Unique Entity ID” option, which is not a full registration, is only available to entities for reporting purposes. Failing to complete the “Register Entity” option may result in loss of funding, loss of applicant eligibility, and/or delays in receiving a grant award. Information about SAM is available at [www.SAM.gov](http://www.SAM.gov). To further assist you with registering in SAM or updating your existing SAM registration, see the [Quick Start Guide for Grant Registrations](#) and the Entity Registration Video at <https://sam.gov/content/entity-registration>.

- 2) **SUBMIT EARLY** – We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded. The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully to Grants.gov before 11:59:59 p.m. Eastern Time on the deadline date.

You must provide the UEI on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This UEI is assigned to your organization in SAM at the time your organization registers in SAM. If you do not enter the UEI assigned by SAM on your application, Grants.gov will reject your application.

- 3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov received your application submission on time and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 11:59:59 p.m. Eastern Time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned. Once the Department of Education receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing on Grants.gov's Track My Application link.

If the date/time received is later than 11:59:59 p.m. Eastern Time, on the deadline date, your application is late. If your application has a status of "Received" it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to "Validated" or "Rejected with Errors." If the status is "Rejected with Errors," your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site:

<http://www.grants.gov/web/grants/applicants/encountering-error-messages.html>. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Software Tip Sheet at: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

#### **Submission Problems – What should you do?**

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or email at: [support@grants.gov](mailto:support@grants.gov) or access the Grants.gov Self-Service Knowledge Base web portal at: <https://grants-portal.psc.gov/Welcome.aspx?pt=Grants>

We discourage paper applications, but if electronic submission is not possible (e.g., you do not have access to the internet), (1) you must provide a prior written notification that you intend to submit a paper application and (2) your paper application must be postmarked by the application deadline date. If you submit your prior written notification by email, it must be received by the Department no later than 14 calendar days before the application deadline date. If you mail your notification to the Department, it must be postmarked no later than 14 calendar days before the application deadline date (See the [2022 Common Instructions](#) for detailed instructions regarding this procedure).

#### **Helpful Hints When Working with Grants.gov**

Please go to <http://www.grants.gov/web/grants/support.html> for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Applicant FAQs found at this Grants.gov link: <http://www.grants.gov/web/grants/applicants/applicant-faqs.html> as well as additional information on Workspace at <https://www.grants.gov/web/grants/applicants/applicant-faqs.html#workspace>.

#### **Slow Internet Connections**

When using a slow internet connection, such as a dial-up connection, to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g., cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. Failure to fully upload an application by the deadline date and time will result in your application being marked late in the G5 system. If you do not have access to a high-speed internet connection, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than 14 calendar days before

the application deadline date. (See the Federal Register notice for detailed instructions and the [2022 Common Instructions](#).)

### **Attaching Files – Additional Tips**

Please note the following tips related to attaching files to your application:

- When you submit your application electronically, you must upload any narrative sections and all other attachments to your application as files in either Portable Document Format (PDF) or Microsoft Word. Although applicants have the option of uploading any narrative sections and all other attachments to their application in either PDF or Microsoft Word, we recommend applicants submit all documents as read-only flattened PDFs, meaning any fillable PDF files must be saved and submitted as non-fillable PDF files and not as interactive or fillable PDF files, to better ensure applications are processed in a more timely, accurate, and efficient manner.
- Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
- When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. However, Grants.gov does allow for the following UTF-8 characters when naming your attachments: A-Z, a-z, 0-9, underscore, hyphen, space, period, parenthesis, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semi colon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.
- Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package with all attachments is less than 5 MB. Therefore, you may want to check the total size of your package before submission.

## IV. Application Instructions

All applicants interested in completing a NAM application should first thoroughly review the FY 2023 NIA. The NIA will orient applicants to the NAM program by providing the following information:

- Background information and purpose of the program;
- Eligibility requirements;
- Absolute Priority;
- Competitive Priority (optional)
- Invitational Priority (optional);
- Programmatic and application requirements;
- Selection Criteria and assigned points;
- Definition of terms used in the NIA;

### **Completing and Submitting Your Application**

---

A complete application consists of the following components:

#### **Required Forms:**

- ED Standard Forms; and
- Assurances and Certifications

#### **Application Narrative:**

The NAM application will use the following Grants.gov Narrative Forms:

- ED Abstract Narrative Form;
  - The ED Abstract Narrative Form is where you will attach your one-page project abstract. Specific instructions for how to compose the abstract narrative are included later in this section.
- Project Narrative Form;

This section is where you discuss the proposed project in a way that best responds to the Selection Criteria. Applicants should include a Table of Contents. Specific instructions for how to compose the project narrative are included later in this section. **Eligible applicants are strongly encouraged, but not required, to limit the project narrative to 35 pages.** The Table of Contents does not count towards this desired limit.

- Budget Narrative Form; and
  - The Budget Narrative Form is where you will provide a line item budget (**ED 524**) and a budget narrative for the proposed NAM project. This budget should reflect a 5-year proposed project period. Specific instructions for how to compose the budget narrative are included later in this section.
- Other Attachments Form (upload appendices here)
  - The Other Attachments Form is where you will attach the application appendices. Specific Appendix instructions are included later in this section.

**NOTE:** If you have multiple documents to be attached to one of the above narrative sections (except for Other Attachments), we recommend that you merge them into one .PDF file and upload them to the appropriate narrative.

# A. Required Forms

## **Standard Forms Instructions**

---

Applicants must submit along with their project narratives the required standard forms, assurances, and certifications included in the list below.

- Application for Federal Assistance (SF 424);

**NOTE:** Please do not attach any narratives, supporting files, or application components to the Standard Form (SF 424). Although this form accepts attachments, the Department of Education will review only materials/files attached to the section labeled “Other Attachments Form.”

- Department of Education Supplemental Information for SF 424;
- Department of Education Budget Summary Form (ED 524);
- Grants.gov Lobbying Form;
- General Education Provisions Act (GEPA) Requirements - Section 427;

Electronic copies and instructions for the required forms can be found in the Grants.gov submission package.

## B. Application Narrative Instructions

---

Eligible applicants must submit an abstract. The abstract should be attached to the ED Abstract Narrative Form, and include the following items:

- 1) Institution: state the official name of the applicant's Institution or Entity
- 2) Eligibility: state the eligibility criteria the applicant meets
- 3) Native Language(s): name all the native language(s) of the project participants
- 4) Partners: identify all the participating BIEs, LEAs or IHEs if applying as a consortium
- 5) Project Title: state the title of the proposed project
- 6) Priorities: Indicate which, if any, of the competitive and invitational priorities your project is addressing
- 7) Project Goals: state proposed project goals, objectives, and performance outcomes for all three GPRA measures
- 8) Project Description: state a brief description of the major project activities that will lead to the applicant meeting the GPRA measures

- 10) Contact: Project Director's name, telephone and e-mail

## **Project Narrative**

---

The Project Narrative should describe the project that an applicant would carry out as well as other required elements if its application is funded. It should also include a detailed description of the proposed project goals, objectives, and 5-year performance outcomes for all three GPRA measures. In addition, it should include a detailed description of the major project activities that will lead to the applicant meeting the GPRA measures and project specific measures. **Finally, it is important that applicants clearly address** (a) Absolute Priority (b) the optional Competitive and Invitational Priorities for which they wish to apply.

This section, along with the Table of Contents, should be attached as a **single** document to the Project Narrative Attachment Form in accordance with the instructions found on [Grants.gov](https://www.grants.gov), and should be organized in the manner described below in order to expedite the review process. Ensure that you only attach the U.S. Department of Education approved file types detailed in the Common Instructions. Also, do not upload any password-protected files to your application. When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend your file names be less than 50 characters.

## **Table of Contents**

---

The Table of Contents shows where and how the important sections of your proposal are organized and should not exceed **one** double spaced page.

## **Page Guidelines**

---

The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We recommend that you (1) limit the application narrative to no more than 70 pages and (2) use the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double-space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, reference citations, and captions, as well as all text in charts, tables, figures, graphs, and screen shots.
- Use a font that is 12 point or larger.
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; the abstract (the applicant should follow the guidance provided in the application package for completing the abstract); the table of contents; the list of priority requirements; the resumes; the reference list; the letters of support; or the appendices. However, the recommended page limit does apply to all of the application narrative, including all text in charts, tables, figures, graphs, and screen shots.

## **Identifying Contractors or Vendors in the Project Application**

---

In August 2013, the Department issued §75.135 of the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.135). This regulation permits applicants for NAM and other Department invitational grants, under certain conditions, to identify in their project applications those entities with which they would contract for data collection, data analysis, evaluation services, or essential services, where these activities are required by the program – without the need to follow otherwise applicable Federal procurement requirements. If applicant proposes to select a contractor before receiving a NAM award, please see 34 CFR 75.135(a) - (c) (section 75.135(a) - (c) of EDGAR) on how the requirements for invitational procurements that normally apply may be avoided by naming the contractors in the application.

## **FY 2023 NAM Application Grant Selection Criteria**

---

To read a list of Selection Criteria for this grant competition, please reference the [Notice Inviting Applications \(NIA\) for this competition in the Federal Register](#).

## **C. Budget Narratives**

*This section should be attached as a **single** document to the Budget Narrative Attachment Form in accordance with the instructions found on [Grants.gov](#). ). Also, do not upload any password-protected files to your application. Lengthy file names could result in difficulties with opening and processing your application. We recommend your file names be less than 50 characters.*

In accordance with 34 CFR 75.232, Department of Education staff perform a cost analysis of the each recommended project to ensure that costs relate to the activities and objectives of the project, are **reasonable, allowable and allocable**. The budget should only include costs that are allowable, reasonable and necessary for carrying out the objectives of the NAM project. Rules about allowable costs are set out in 2 C.F.R. Part 200, *Uniform Administrative Requirements*,

*Cost Principles, And Audit Requirements for Federal Awards* (Uniform Guidance), in Subpart E—Cost Principles. During the Department’s budget review that occurs as a part of the grant selection process, we may delete or reduce costs from the budget that are not reasonable, necessary, and allocable to the program, or are otherwise unallowable. The budget narratives in each application should be consistent with the content of Sections A and B of ED 524 Form and provide **sufficient detail** about the use of NAM and non-Federal matching funds to:

- Give an **itemized budget breakdown** for each year of the proposed project (up to 60 months);
- Provide the **basis for estimating the costs** of personnel salaries, benefits, project staff travel, materials and supplies, consultants and subcontracts, indirect costs and any other projected expenditures;
- Clarify the **relationship** between the requested funds and project activities and outcomes;
- Describe the total **amount that will be expended** as shown in the ED 524 Form;
- Enable reviewers and project staff to understand how the requested funds identified **in the ED 524 Form** will be used.

## **Budget Narrative Guidelines**

---

Remember that you must provide all requested budget information for each year of the project (up to 60 months) and the total amount identified in Sections A and B of the ED 524 Form in order to be considered for Federal funding.

**In a single document** attached to the Budget Narrative Attachment Form, each application must provide the **following two budget narratives**:

### **1. NAM Grant Funds Budget Narrative**

The first budget narrative **must align with** and break down the costs budgeted in **Section A of ED Form 524**. Section A relates to costs to be supported by the requested NAM grant. The applicant should provide sufficient detail to enable reviewers and project staff to understand how requested funds will be used, how much will be expended, and the relationship between the requested funds and project activities and outcomes. The following section, “Instructions for the Budget Narratives,” illustrates the expected format and level of detail. (This budget narrative will serve to meet the requirements of Section C of ED Form 524.)

## Instructions for the Budget Narratives

---

To facilitate the review of your Budget Narratives, we encourage each applicant to include the following information for each year of the project.

**1. Personnel:** *Include fees and expenses for consultants under contractual.*

- Provide the title and duties of each position to be compensated under this project.
- Provide the salary for each position under this project.
- Provide the amounts of time, such as hours or percentage of time to be expended by each position under this project.
- Explain the importance of each position to the success of the project.
- Provide the basis for cost estimates or computations.

**Example:** The following scenario assumes that there is 1 .8 FTE project director, 8 1.0 FTE teachers in the school, 8 FTE career ladder positions and 10 part-time teachers will be paid with NAM funds.

Personnel: The following requested personnel will all be hired as employees of the project.	% FTE	Base Salary	Total
Project Director (1): John Doe will be responsible for the overall NAM project. His qualifications are described in detail in the project on page 24 of the application.	.8 FTE (or 80%)	\$65,000	\$52,000
Our NAM project will fill 8 FTE career ladder positions. Each position is budgeted at a \$45,000 salary per year.	8 x 1.0 FTE	\$45,000 x 8	\$360,000
Salary for part-time teachers: 10 teachers. Each teacher will earn \$8,000 per year.			\$80,000

## 2. Fringe Benefits

- Give the fringe benefit percentages of all personnel included under Personnel.
- Include fringe benefits applied to incentive awards if such expenditures are included under Personnel.
- Provide the rate and base on which fringe benefits are calculated.
- Do not include fringe benefits for salaries and wages that are treated as part of the indirect cost.

## 3. Travel

- Explain the purpose of the travel, how it relates to project success, how it aligns with the project goals and objectives and which program participants or staff will participate.
- Submit an estimate for the number of trips, points of origin and destination, and purpose of travel.
- Submit an itemized estimate of transportation and/or subsistence costs for each trip.
- Provide the basis for cost estimates or computations.
- Applicants must budget for attendance at one required annual meeting. For planning purposes, applicants should include funds for transportation, lodging, and per diem costs for the following meetings:
  - **Required Meeting: Project Director Meeting** this 2-day meeting will provide participants with key information needed to manage and implement a discretionary grant awarded by ED and technical assistance from experts. Grantee meetings will be held annually in a major U.S. city. Include travel of persons such as the project director and evaluator on the 524 budget form and budget narrative.

**Required Participants:** Please budget for two participants including the project director.

**Expenses for this meeting include:**

- Round-trip airfare for two participants to a major U.S. city
- Lodging expenses for two participants for up to three nights in a major U.S. city
- Per diem expenses for two participants for up to five days in a major U.S. city
- Funds for local ground transportation

**Example:**

<b>Travel: Travel expenses include the average airfare of \$400 each, in addition to a hotel room at \$150/night for two nights, local transportation of \$50, and per diem of \$40</b>	<b># Trips</b>	<b>\$ per Trip</b>	<b>Total</b>
NAM Annual Project Director Meeting: This meeting will provide technical assistance for our grant site and provide collaboration among all NAM grantees. The total trip will last 2 full days.	2 (1 Project Dir. & 1 other key personnel)	\$790	\$1,580

**4. Equipment**

- Indicate the cost of tangible, non-expendable personal property that has a usefulness greater than one year and acquisition costs that are the lesser of the capitalization level established by the applicant entity for financial statement purposes. Individual pieces of equipment that are over \$5,000 per unit are generally considered equipment.
- Indicate the estimated unit cost for each item to be purchased.
- Identify each type of equipment.
- Provide adequate justification of the need for items of equipment to be purchased.
- Explain the purpose of the equipment, and how it relates to project success.
- Provide the basis for cost estimates or computations.

## 5. Supplies

- Show all tangible, expendable personal property. Direct supplies and materials differ from equipment in that they are consumable, expendable, and of a relatively low unit cost. *Supplies purchased with grant funds should directly benefit the grant project and be necessary for achieving the goals of the project.*
- Provide an itemized estimate of materials and supplies by nature of expense or general category (e.g., instructional materials, office supplies, etc.).
- Explain the purpose of the supplies and how they relate to project success.
- Provide the basis for cost estimates or computations.
- Individual pieces of equipment that are under \$5,000 per unit are generally considered supplies. However, as noted in the example under Equipment, an applicant's organization may have a different equipment policy.

## 6. Contractual

- The contractual category should include all costs specifically incurred with actions that the applicant takes in conjunction with an established internal procurement system. Include consultant fees, expenses, and travel costs in this category if the consultant's services are obtained through a written binding agreement or contract.
- Provide the purpose and relation to project success.
- Describe the products to be acquired, and/or the professional services to be provided.
- Provide a brief justification for the use of the contractors selected.

**NOTE:** Contractors are not to be named in an application since contracts will be competed following the award of a grant. If an applicant proposes in its application to use an existing contract or prior selection of any vendor for any activities to be supported with Federal NAM funds (or other Federal grant funds), the applicant must be prepared to demonstrate how it is in compliance with the "Procurement Practices" described in the "Application Information" section of this application package. Additionally, if an applicant intends to take advantage of the flexibility allowed in order to use small purchase procurement procedures for contracts for data collection, data analysis, evaluation services or essential services, the applicant should carefully review the requirements in

to ensure all required information is included in the application and budget narrative.

- Provide the projected cost per contractor.
- Provide the amount of time that the project will be working with the contractor(s).
- For professional services contracts, provide the amounts of time to be devoted to the project, including the costs to be charged to this proposed grant award.
- Provide a brief statement that you have followed the procedures for procurement under 2 C.F.R. 200.317 – 200.326 or the competition exception in 34 C.F.R. 75.135.
- Provide the basis for cost estimates or computations.

**Example:**

Contractual	Timing of Costs	Total
ABC District plans to contract with an external evaluator to conduct the local evaluation, using both qualitative and quantitative data analysis. ABC expects to receive bi-annual evaluation reports and surveys from the new contractor. Please see page 37 of the project proposal for detailed information on the evaluation design.	Bi-Annual	\$XXXX

**7. Construction**

- Not applicable.

**8. Other**

- Indicate all direct costs not covered on lines 1-6. For example, include costs such as space rental, required fees, honoraria and travel (where a contract is not in place for services), training, and communication and printing costs. *Do not include costs that are included in the indirect cost rate.*
- List and identify items by major type or category (e.g., communications, printing, postage, equipment rental, etc.).
- Provide the cost per item (printing = \$500, postage = \$750).
- Provide the purpose for the expenditures and relation to project success.
- Provide the basis for cost estimates or computations.

**9. Total Direct Costs**

- The sum total of all direct expenditures, per budget category, of lines 1-8.

**10. Indirect Costs**

- If applicable, indicate the applicant's approved indirect cost rate.

## **11. Training Stipends**

- The training stipend line item only pertains to costs associated with long term training programs and college or university coursework, not workshops or short-term training or professional development offerings.

## **12. Total Costs**

- Sum total of direct costs, indirect costs, and stipends.
- Please provide total costs for each year of the project as well as grand total cost for the entire project period (up to 60 months).

### **NOTE about Indirect Costs:**

The applicant should include any proposed indirect costs in its proposed NAM supported budget and budget narrative. In order to charge indirect costs to this program, a grantee must have a currently approved Indirect Cost Rate (ICR) agreement with a restricted rate.

If an applicant does not have a current indirect cost rate agreement, it does not need to submit any documentation regarding indirect costs with its application. These proposed indirect costs should be calculated using a temporary rate of ten percent and that rate should be applied to all direct salaries and wages. However, the applicant must expeditiously take steps to obtain an indirect cost rate agreement after the grant award is made. The rules allow for a temporary ICR of 10% of budgeted salaries and wages and require the grantee to submit an ICR proposal within 90 days after issuance of the grant award notification (see 34 CFR § 75.560(c)).

For additional information about obtaining an approved indirect cost rate or applying for an indirect cost rate, contact the Department's Office of the Chief Financial Officer at [IndirectCostDivision@ed.gov](mailto:IndirectCostDivision@ed.gov).

The ICR must be negotiated with and approved by the grantee's cognizant agency, i.e., either (1) the federal agency from which it has received the most direct funding, subject to indirect cost support; (2) the federal agency specifically assigned cognizance by the Office of Management and Budget; or (3) the State agency that provides the most subgrant funds to the grantee (if no direct federal awards are received).

**NOTE:** Applicants should pay special attention to specific questions on the application budget form (ED 524) about their cognizant agency and the ICR being used in the budget. Applicants should be aware that ED is very often not the cognizant agency for its grantees. Rather, ED accepts the currently approved ICR established by the appropriate cognizant agency. Applicants are encouraged to have an accountant calculate a proposed ICR using current information in the audited financial statements, actual cost data or the Internal Revenue Service Form 990. Applicants should use this proposed rate in the application materials and indicate the documentation used to calculate the rate. Guidance related to calculating an ICR can be found on ED's website at: <http://www.ed.gov/about/offices/list/ocfo/fipao/icgindex.html>.

If the requested budget does not include these estimated indirect costs, they will not be included in the budget approved by the Department that forms the basis of the grant award. This means that, after award, a grantee would only have funds with which to charge indirect costs to the grant if the approved direct costs of the grantee's project for any budget period exceed the grantee's actual direct costs. Where this occurs, the grantee may submit a requested budget revision to the Department program office to use the excess funds budgeted for direct costs to cover its indirect costs.

## D. Other Attachment Forms

Applicants should **attach all appendices to the Other Attachments Form**. For each appendix, applicants are asked to label each file with the Appendix name and upload the file to the Other Attachments Form. The Other Attachments Form can support up to ten attachments, therefore it is unnecessary to merge appendices into one document.

- Ensure that you only attach the U.S. Department of Education approved file types detailed in the Federal Register application notice (read-only, non-modifiable .pdf files). Also, do not upload any password-protected files to your application.
- Please note that Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission.
- When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend your file names be less than 50 characters.
