FY 2010 Grantees, Awards, and Project Abstracts Off-Campus Community Service Program

The FY 2010 Off-Campus Community Service Program (CFDA# 83.116H) provides funding to Institutions of Higher Education (IHEs) so that they may prepare students for off-campus community service employment. The program may only underwrite student wages, and other ancillary expenses which may include: community service job-related training, participating students' travel to and from worksites, and students' background checks. All projects will begin on January 1, 2011.
