The State must provide, for each selection criterion or priority in this notice that solicits an ambitious and achievable plan, a description of the following elements, at a minimum—

How the Pieces Fit Together

The Parts to Respond to:

- For each criterion, there are two parts
- **Narrative**: All selection criteria include a narrative section. This is where you write your response to the criterion.

Competitive Preference Priority 1

Contributing Matching Funds

To receive a competitive preference under this priority, the State must describe and submit appropriate evidence of a credible plan for obtaining and using non-Federal matching funds to support the implementation of its ambitious and achievable plan during the grant period. Matching funds may be comprised of State, local, and philanthropic funds and may also include increased State funding appropriated beginning in the State fiscal year prior to the first year of the grant period. Points will be awarded based on the following scale if the plan is determined to be credible:

Competitive Preference Priority 3

Creating New High-Quality State Preschool Program Slots

To receive a competitive preference under this priority, the State must demonstrate how it will use at least 50 percent of its Federal grant award to create new State Preschool Program slots that will increase the overall number of new slots in State Preschool Programs that meet the definition of High-Quality Preschool Programs.

(d) The State must complete the Excel spreadsheets that are provided on the Preschool Development Grants Website at www.ed.gov/programs/preschooldevelopmentgrants and upload to the Other Attachments Form in Grants.gov as explained in Part 5 of the application.
(e) The State must provide, for each selection criterion or priority in this notice that solicits an ambitious and achievable plan, a description of the following elements, at a minimum--

1. The key goals of the plan;
2. The key activities to be undertaken; the rationale for the activities; and, if applicable, where in the State the activities will be initially implemented, and where and how they will be scaled up over time;
