

List of Intents to Apply
 Promise Neighborhoods Planning Grants
U.S. Department of Education
 May 21, 2010

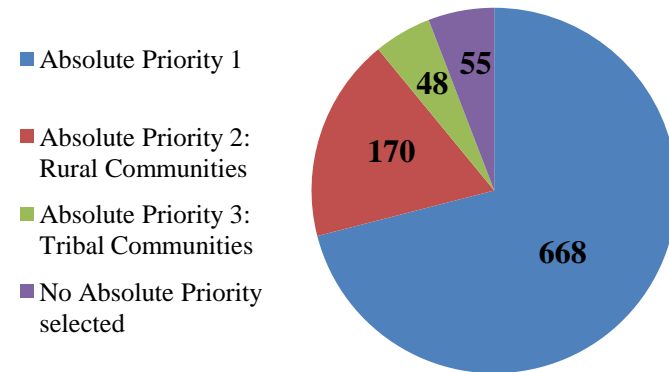

PLEASE NOTE:

The following information was submitted to the Department on or before May 21, 2010 by entities intending to apply for a Promise Neighborhoods planning grant. Submitting an intent to apply was **not required**, and an eligible entity that did not submit an intent to apply may still apply for a planning grant. Furthermore, entities that submitted an intent to apply are not required to submit an application. These entities have not been screened for eligibility.

The Department received some notices of intent to apply in unreadable file formats or as blank documents. If an entity submitted an intent to apply and its information does not appear here, that may be the reason. An entity gains no competitive advantage or disadvantage by appearing on this list.

This information is used for planning purposes only. The Department collects this information with the goal of informing our internal planning for the peer review process. We release this information to facilitate identification and potential connections.
