Juliet Morrison
Project Officer, RTT/ELC
Washington Department of Early Learning
P.O. Box 40970
Olympia, WA 98504

Dear Ms. Morrison:

Thank you for your timely submission of Washington's Race to the Top – Early Learning Challenge Annual Performance Report (APR) on February 15, 2013. We appreciate the care you have taken in completing this report. The APR information will be useful to us in monitoring your grant and will also inform the public about the accomplishments of the program. We will be posting your APR and this letter on our website at <http://www2.ed.gov/programs/racetothetop-earlylearningchallenge/performance.html> for the purpose of transparency and public accountability.

We are pleased with the progress you have made in the first year of this grant, particularly in successfully both meeting and exceeding your 2012 targets for Early Achievers participation. We are appreciative of the significant progress you have made in all reform areas outlined in your grant application. However, we also want to note one item that we will work with you to address during the second year of your grant.

- Washington spent approximately 91% of its first-year budget. Your Project Officers will work with you to establish revised budgets and timelines for those expenditures, in accordance with our amendment procedures.

We look forward to working with you during the next year to address any issues raised by your APR and reviewing Washington's accomplishments that you report next year. Thank you for your continued work to enrich the lives of our youngest learners.

Sincerely,

Alexander Goniprow
Deputy Assistant Secretary for Management and Planning
Office of Elementary and Secondary Education
U.S. Department of Education

Linda K. Smith
Deputy Assistant Secretary for Early Childhood Development
Administration for Children and Families
U.S. Department of Health and Human Services
