The Honorable Neil Abercrombie
Office of the Governor
State Capitol, Executive Chambers

Dear Governor Abercrombie:

I am writing to confirm that Hawaii has fulfilled its condition on the extended learning time project, as detailed in the amendment approval letter the U.S. Department of Education (Department) sent on July 26, 2013. The State satisfied this condition by submitting on July 1, 2014, a report on the impact of school-wide extended learning time (conducted during school year (SY) 2012-2013) and targeted extended learning time (conducted during SY 2013-2014) on student outcomes.

If you need any assistance or have any questions regarding Race to the Top, please do not hesitate to contact Hawaii's Race to the Top Program Officer, Rebecca Zazove, at 202-260-1425 or rebecca.zazove@ed.gov.

Sincerely,
