

# Continuation Awards Only Application for FY 2011 School Improvement Grants (SIG) Program

- Montana assures that it will use FY 2011 SIG funds solely to make continuation awards and will not make any new awards<sup>1</sup> to its LEAs.
- [State] assures that it will use the renewal process identified in [State]'s approved FY 2010 application to determine whether to renew an LEA's School Improvement Grant.

In the table below, list any LEAs with one or more schools for which funding under previously awarded SIG grants will not be renewed. For each such school, note the amount of unused remaining funds and explain how the SEA or LEA plans to use those funds (e.g., reallocate to other schools with SIG grants or retain for a future SIG competition).

LEA NAME	SCHOOL NAME	DESCRIPTION OF HOW REMAINING FUNDS WERE OR WILL BE USED	AMOUNT OF REMAINING FUNDS
Lodge Grass High School District	Lodge Grass High School	The remaining funds will be used for additional needs in remaining Cohort 1 SIG schools or, if funds still remain, to supplement the continuation awards in Cohort 2 SIG schools.	\$2,496,609
<b>TOTAL AMOUNT OF REMAINING FUNDS:</b>			<b>\$2,496,609</b>

By submitting the assurances and information above, Montana agrees to carry out its FY 2010 SIG application and does not need to submit a new FY 2011 SIG application.

X Sherry Capriant Assistant Superintendent, Montana Office of Public Instruction

8/10/12

<sup>1</sup> A "new award" is defined as an award of SIG funds to an LEA for a school that the LEA was not previously approved to serve with SIG funds in the school year for which funds are being awarded—in this case, the 2012–2013 school year. New awards may be made with the FY 2011 funds or any remaining FY 2009 or FY 2010 funds not already committed to grants made in earlier competitions.
