

# Continuation Awards Only Application for FY 2011 School Improvement Grants (SIG) Program

- Oregon assures that it will use FY 2011 SIG funds solely to make continuation awards and will not make any new awards<sup>1</sup> to its LEAs.
- Oregon assures that it will use the renewal process identified in Oregon's approved FY 2010 application to determine whether to renew an LEA's School Improvement Grant.

In the table below, list any LEAs with one or more schools for which funding under previously awarded SIG grants will not be renewed. For each such school, note the amount of unused remaining funds and explain how the SEA or LEA plans to use those funds (e.g., reallocate to other schools with SIG grants or retain for a future SIG competition).

LEA NAME	SCHOOL NAME	DESCRIPTION OF HOW REMAINING FUNDS WERE OR WILL BE USED	AMOUNT
Portland School District 1J	Arts, Communication & Technology School	Arts, Communication & Technology School, on Roosevelt Campus, was renewed at a <b>reduced amount</b> because the three schools on Roosevelt campus are combining into one school. Amount reduced = \$783,332	\$783,332
Portland School District 1J	Spanish-English International School	Spanish-English International School, on Roosevelt Campus, was renewed at a <b>reduced amount</b> because the three schools on Roosevelt campus are combining into one school. Amount reduced = \$783,333	\$783,333
Portland School District 1J	Pursuit of Wellness Education at Roosevelt	Pursuit of Wellness Education at Roosevelt was <b>renewed and supplemented</b> with additional funds because the three schools on Roosevelt campus are combining into one school. Amount supplemented = \$655,498	(\$655,498)
		Additionally Oregon currently has \$200,416 that has not yet been allocated (FY09 and FY10 combined).	\$200,416
		All other schools have had their funding renewed as originally awarded. All of Oregon's Total Remaining Funds will be used to supplement existing schools' awards based on additional needs identified. Districts will be allowed to submit brief proposals for any remaining funds in order to scale up or invest further in strategies that are showing successes at their SIG schools.	
<b>TOTAL AMOUNT OF REMAINING FUNDS:</b>			<b>\$1,111,583</b>

By submitting the assurances and information above, Oregon agrees to carry out its FY 2010 SIG application and does not need to submit a new FY 2011 SIG application.

<sup>1</sup> A "new award" is defined as an award of SIG funds to an LEA for a school that the LEA was not previously approved to serve with SIG funds in the school year for which funds are being awarded—in this case, the 2012–2013 school year. New awards may be made with the FY 2011 funds or any remaining FY 2009 or FY 2010 funds not already committed to grants made in earlier competitions.
