Pinellas	Fairmount Park Elementary School	open	II	School met goals for Year 1; FDOE projects continuation of funding for Year 3.	\$908,539.03
Pinellas	Lakewood Elementary School	open	II	School met goals for Year 1; FDOE projects continuation of funding for Year 3.	\$908,539.03
Pinellas	Woodlawn Elementary School	open	II	School met goals for Year 1; FDOE projects continuation of funding for Year 3.	\$908,539.03

*[\*\*\*ALLOCATIONS ARE PROJECTED BASED ON FDOE'S 2011-2012 AWARD FROM ED. THE AWARD AMOUNT WAS \$28,164,710.00. EACH SCHOOL LISTED HERE IS PROJECTED TO RECEIVE AN EQUAL AMOUNT OF FUNDS; HOWEVER, FUNDS WILL BE AWARDED BASED ON THE LEA'S APPLICATION, NEED, AND CAPACITY. \*\*\*]*

In the table below, list any LEAs with one or more schools for which funding under previously awarded SIG grants will not be renewed. For each such school, note the amount of unused remaining funds and explain how the SEA or LEA plans to use those funds as well as noting the explicit reason and process for reallocating those funds (e.g., reallocate to rural schools with SIG grants in cohort 2 who demonstrate a need for technology aimed at increasing student literacy interaction).

LEA NAME	SCHOOL NAME	DESCRIPTION OF HOW REMAINING FUNDS WERE OR WILL BE USED	AMOUNT OF REMAINING FUNDS
Hillsborough County Public Schools	Franklin Middle School	<ul style="list-style-type: none"> <li>2010-11 Franklin Middle School awarded SIG funds totaling \$759,293.00 in year one of Cohort I.</li> <li>2010-2011--Frank Middle School closed.</li> <li>2011-2012--Franklin Middle School re-opened as a Single Gender Boys Preparatory Academy.</li> <li>The Single Gender Boys Academy did not open as a SIG school. Unspent funds from Franklin Middle School in the Amount of \$11,000.00 were reallocated to Middleton High School.</li> </ul>	\$11,000.00

*[\*\*\*FDOE IS UNABLE TO DETERMINE WHICH SCHOOLS WILL NOT BE RENEWED AT THIS TIME. ACADEMIC AND NON-ACADEMIC DATA IS REVIEWED DURING THE SUMMER TO DETERMINE WHICH SCHOOLS DID NOT MEET THEIR GOALS. ONCE THIS REVIEW IS CONDUCTED, FDOE WILL NOTIFY ED IF THERE ARE SCHOOLS THAT WILL NOT BE RENEWED. \*\*\*]*

**School Improvement Grants (SIG) Program FY 2012 Assurances**

By submitting this application, the SEA assures that it will do the following (check each box):

- Use FY 2012 SIG funds solely to make continuation awards and will not make any new awards<sup>1</sup> to its LEAs.
- Use the renewal process identified in Florida's most recently approved SIG application to determine whether to renew an LEA's School Improvement Grant.
- Monitor and evaluate the actions an LEA has taken, as outlined in its approved SIG application, to recruit, select and provide oversight to external providers to ensure their quality.
- Monitor and evaluate the actions the LEA has taken, as outlined in its approved SIG application, to sustain the reforms after the funding period ends and that it will provide technical assistance to LEAs on how they can sustain progress in the absence of SIG funding.
- If a Tier I or Tier II school implementing the restart model becomes a charter school LEA, hold the charter school operator or charter management organization accountable, or ensure that the charter school authorizer holds the respective entity accountable, for meeting the final requirements.
- Report the specific school-level data required in section III of the final SIG requirements.

**By submitting the assurances and information above, the Florida Department of Education agrees to carry out its most recently approved SIG application and does not need to submit a new FY 2012 SIG application.**

  
 \_\_\_\_\_

<sup>1</sup> A "new award" is defined as an award of SIG funds to an LEA for a school that the LEA was not previously approved to serve with SIG funds in the school year for which funds are being awarded—in this case, the 2013–2014 school year. New awards may be made with the FY 2012 funds or any remaining SIG funds not already committed to grants made in earlier competitions.
