G. ASSURANCES: The SEA must provide the assurances set forth below.

By submitting this application for new awards, the SEA assures that it will do or has done the following (check each box):

- Comply with the final requirements and ensure that each LEA carries out its responsibilities outlined in the final requirements.
- Consult with its Committee of Practitioners regarding the information set forth in this application.
- Award each approved LEA a School Improvement Grant in an amount that is of sufficient size and scope to implement the selected intervention in each Tier I and Tier II school, or each priority or focus school, as applicable, that the SEA approves the LEA to serve.
- Award each School Improvement Grant to an LEA based on an individual review of each application and a case-by-case determination of the amount needed to plan for implementation, as applicable, to fully implement a model, and sustain the model, as applicable, rather than make grant awards based on a formula.
- Monitor and evaluate the actions an LEA has taken, as outlined in its approved SIG application, to recruit, select and provide oversight to external providers, including charter school operators and CMOs, to ensure their quality and regularly review and hold accountable such providers for their performance.
- Monitor and evaluate the actions the LEA has taken, as outlined in its approved SIG application, to sustain the reforms after the funding period ends.
- If a school implementing the restart model becomes a charter school LEA, hold the charter school operator or CMO accountable, or ensure that the charter school authorizer holds the respective entity accountable, for meeting the final requirements.
- Post on its Web site, within 30 days of awarding School Improvement Grants, all final LEA applications and a summary of the grants that includes the following information: name and NCES identification number of each LEA awarded a grant; amount of each LEA's grant; name and NCES identification number of each school to be served; and type of intervention to be implemented in each Tier I and Tier II school or priority and focus school, as applicable. An SEA must post all LEA applications, including those of applicants that did not receive awards, as well as applications to serve Tier III schools. Additionally, if an LEA amends an application, the SEA will post the amended application.
- Report the specific school-level data required in section III of the final SIG requirements, including baseline data for the year prior to SIG implementation.
- If the SEA intends to provide services directly to any schools in the absence of a takeover, seek and obtain approval from the LEA to have the SEA provide the services directly prior to providing services.
- Prior to submitting its School Improvement Grant application, provide all LEAs in the State that are eligible to

receive School Improvement Grants with notice and a reasonable opportunity to comment on its waiver request(s) and attach a copy of that notice as well as copies of any comments received from LEAs to this application. The SEA also assures that it has provided notice and information regarding the waiver request(s) described below, if applicable, to the public in the manner in which the SEA customarily provides such notice and information to the public (*e.g.*, by publishing a notice in the newspaper; by posting information on its Web site) and has attached a copy of, or link to, that notice.

I. WAIVERS: SEAs are invited to request waivers of the requirements set forth below. An SEA must check the corresponding box(es) to indicate which waiver(s) it is requesting.

[Enter State Name Here] requests a waiver of the requirements it has indicated below. The SEA believes that the requested waiver(s) will increase its ability to implement the SIG program effectively in eligible schools in the State in order to improve the quality of instruction and raise the academic achievement of students in Tier I, Tier II, and Tier III schools or in its priority and focus schools, as applicable, or will allow any LEA in the State that receives a School Improvement Grant to use those funds in accordance with the final requirements for School Improvement Grants and the LEA's application for a grant.

Part 1: Waivers Available to All States

Waiver 1: Period of availability of FY 2015 funds waiver

Note: This waiver only applies to FY 2015 funds for the purpose of making three- to five-year awards to eligible LEAs.

In order to extend the period of availability beyond September 30, 2017, waive section 421(b) of the General Education Provisions Act (20 U.S.C. § 1225(b)) to extend the period of availability of FY 2015 school improvement funds for the SEA and all of its LEAs to September 30, 2021.

Waiver 2: Period of availability of FY 2016 funds waiver

Note: This waiver only applies to FY 2016 funds for the purpose of making three- to five-year awards to eligible LEAs.

In order to extend the period of availability beyond September 30, 2018, waive section 421(b) of the General Education Provisions Act (20 U.S.C. § 1225(b)) to extend the period of availability of FY 2015 school improvement funds for the SEA and all of its LEAs to September 30, 2021.

Part 2: Waivers Available Only to States Not Approved for ESEA Flexibility

Waiver 1: Tier II waiver

In order to enable the State to generate new lists of Tier I, Tier II, and Tier III schools for its FY 2015/2016 competition, waive paragraph (a)(2) of the definition of "persistently lowest-achieving schools" in Section I.A.3 of the SIG final requirements and incorporation of that definition in identifying Tier II schools under Section I.A.1(b) of those requirements to permit the State to include, in the pool of secondary schools from which it determines those that are the persistently lowest-achieving schools in the State, secondary schools participating under Title I, Part A of the ESEA that have not made adequate yearly progress (AYP) for at least two consecutive years or are in the State's lowest quintile of performance based on proficiency rates on the State's assessments in reading/language arts and mathematics combined.

Assurance

The State assures that it will include in the pool of schools from which it identifies its Tier II schools all Title I secondary schools not identified in Tier I that either (1) have not made AYP for at least two consecutive years; or

(2) are in the State's lowest quintile of performance based on proficiency rates on the State's assessments in reading/language arts and mathematics combined. Within that pool, the State assures that it will identify as Tier II schools the persistently lowest-achieving schools in accordance with its approved definition. The State is attaching the list of schools and their level of achievement (as determined under paragraph (b) of the definition of "persistently lowest-achieving schools") that would be identified as Tier II schools without the waiver and those that would be identified with the waiver. The State assures that it will ensure that any LEA that chooses to use SIG funds in a Title I secondary school that becomes an eligible Tier II school based on this waiver will comply with the SIG final requirements for serving that school.

Waiver 2: n-size waiver

In order to enable the State to generate new lists of Tier I, Tier II, and Tier III schools for its FY 2015/2016 competition, waive the definition of "persistently lowest-achieving schools" in Section I.A.3 of the SIG final requirements and the use of that definition in Section I.A.1(a) and (b) of those requirements to permit the State to exclude, from the pool of schools from which it identifies the persistently lowest-achieving schools for Tier I and Tier II, any school in which the total number of students in the "all students" group in the grades assessed is less than [Please indicate number].

Assurance

The State assures that it determined whether it needs to identify five percent of schools or five schools in each tier prior to excluding small schools below its "minimum n." The State is attaching, and will post on its Web site, a list of the schools in each tier that it will exclude under this waiver and the number of students in each school on which that determination is based. The State will include its "minimum n" in its definition of "persistently lowest-achieving schools." In addition, the State will include in its list of Tier III schools any schools excluded from the pool of schools from which it identified the persistently lowest-achieving schools in accordance with this waiver.

Waiver 3: School improvement timeline waiver

Note: An SEA that requested and received the school improvement timeline waiver for the FY 2014 competition and wishes to also receive the waiver for the FY 2015/2016 competition must request the waiver again in this application.

Schools that started implementation of a SIG model in the 2013-2014, 2014-2015, 2015-2016 school years cannot request this waiver to "start over" their school improvement timeline again.

Waive section 1116(b)(12) of the ESEA to permit LEAs to allow their Tier I or Tier II title I participating schools that will fully implement a SIG model beginning in the 2016-2017 school year to "start over" in the school improvement timeline.

Assurances

The State assures that it will permit an LEA to implement this waiver only if the LEA receives a School Improvement Grant and requests the waiver in its application as part of a plan to implement a SIG model

beginning in the 2016–2017 school year in a school that the SEA has approved it to serve. As such, the LEA may only implement the waiver in Tier I and Tier II schools, as applicable, included in its application.

The State assures that, if it is granted this waiver, it will submit to the U.S. Department of Education a report that sets forth the name and NCES District Identification Number for each LEA implementing a waiver.

Waiver 4: Schoolwide program waiver

Note: An SEA that requested and received the schoolwide program waiver for the FY 2014 competition and wishes to also receive the waiver for the FY 2015/2016 competition must request the waiver again in this application.

Waive the 40 percent poverty eligibility threshold in section 1114(a)(1) of the ESEA to permit LEAs to implement a schoolwide program in a Tier I or Tier II Title I participating school that does not meet the poverty threshold and is fully implementing one of the seven school intervention models.

Assurances

The State assures that it will permit an LEA to implement this waiver only if the LEA receives a School Improvement Grant and requests to implement the waiver in its application. As such, the LEA may only implement the waiver in Tier I and Tier II schools, as applicable, included in its application.

The State assures that, if it is granted this waiver, it will submit to the U.S. Department of Education a report that sets forth the name and NCES District Identification Number for each LEA implementing a waiver.

E. TIMELINE: An SEA must describe its process and timeline for approving LEA applications.

FY2015 Timeline

- (1) April 12, 2016: Email notifications to each superintendent having one or more schools identified as PLAS. Notification included the Tier level of identification and that the district would have the option to apply for SIG funding when it becomes available.
- (2) April 12, 2016: SIG Waiver Notification emailed to public superintendents, ESU administrators, NDE Title I listserv, and Committee of Practitioners members
- (3) April 13, 2016: SIG Waiver Notification posted on NDE Federal Programs SIG webpage beneath the header “Waiver Request Notices”
(https://www.education.ne.gov/federalprograms/Title_1_Part_A_SIG.html)
- (4) April 14, 2016: SIG Waiver Notification included in NDE Bulletin
- (5) April 21, 2016: NDE SIG Application submitted to USDE
- (6) April 21, 2016: LEA SIG application posted on NDE website and information emailed to Districts eligible to apply
- (7) Week of May 2-5, 2016: Technical Assistance provided via online meeting or conference call
- (8) June 15, 2016: LEA SIG Applications due to NDE
- (9) June 20-24, 2016: NDE staff review SIG application
- (10) June 27- July 1, 2016: NDE conducts conference call or online interviews with finalists
- (11) July 11, 2016: Cohort 7 SIG recipients are notified
- (12) August 5, 2016: State Board approval of SIG awards

NDE is using FY2015/2016 funds to make multi-year awards to grantees.

E. TIMELINE: An SEA must describe its process and timeline for approving LEA applications.

- (11) May 17, 2017: Cohort 7 SIG recipients are notified
- (12) June 2, 2017: State Board approval of SIG awards

NDE is using FY2015/2016 funds to make multi-year awards to grantees.

H. SEA RESERVATION: The SEA may reserve an amount not to exceed five percent of its School Improvement Grant for administration, evaluation, and technical assistance expenses.

The SEA must briefly describe the activities related to administration, evaluation, and technical assistance (e.g. funding staff positions, supporting statewide support, etc.) that the SEA plans to conduct with any State-level funds it chooses to reserve from its School Improvement Grants allocation.

NDE Response: NDE will set aside not more than 5% of the State's SIG funding for Administration costs. The funds reserved for administration, evaluation, and technical assistance will be used annually for:

- a. Supporting an annual networking conference of schools receiving these grants to highlight and share successful activities and to jointly problem solve common issues and concerns. (\$20,000)
- b. Monthly training and coordination meetings with the Intervention Project Managers (\$20,000)
- c. Providing a SIG Coordinator and half-time consultant within the Title I Office in the Nebraska Department of Education (\$150,000 annually for salaries, benefits, travel, etc.)
- d. A School Intervention Specialist will be contracted to provide specific technical assistance identified by the PLAS. The School Intervention Specialist will work with all SIG recipients to provide assistance with the requirement to have and implement teacher evaluation systems that include student achievement outcomes. (\$10,000 annually for contract)
- e. Annual evaluation (contracted) of the implementation process and academic progress in SIG schools (\$50,000)
