

School Improvement Grant State Summaries

Cohort 1 Schools (School Year 2010-11 Data)

6/25/2013

The *School Improvement Grant State Summaries* document presents state-by-state summaries on School Improvement Grant (SIG)-awarded Cohort 1 schools. The document includes information on School Year 2010-11 student demographics, student and teacher attendance, advanced course-taking, school year minutes, and cohort graduation rates as well as School Year 2009-10 and 2010-11 academic achievement data. It also provides an overview of the quality of School Year 2010-11 SIG leading indicator data. The document includes State summaries of 49 states, the District of Columbia, and the Bureau of Indian Education (excludes North Dakota and Puerto Rico).

The state summaries are based on provisional data released on June 25, 2013. For more information about the data, see: https://explore.data.gov/browse?Dataset-Summary_Agency=Department+of+Education&utf8=%E2%9C%93.

For more information about the methodology used for the summary, see: http://www2.ed.gov/programs/sif/sig_analysis_documentation_final_20130620.pdf
