

## **Key Components of RtII Planning and Implementation**

1. High-functioning RtII planning team
2. Shared understanding and ownership of RtII
3. Tier 1 curriculum, instruction, and support
4. Faculty learning, support, coaching, and assessment
5. Universal screening / diagnostic assessment
6. On-going data analysis, data-based decision making, and program adjustment
7. Data-informed development of **REQUIRED** Tier 2 and 3 supports and interventions
8. On-going, timely, and responsive case management system and progress monitoring
9. Scheduling and delivery of interventions
10. Parent engagement
