

TEST DRIVE CONSULTANCY

Name of Intervention _____

Learning Gaps Addressed _____

Threshold or Red Flag that Prompts

REQUIRED Intervention _____

1. What does the intervention look like?
2. Who will deliver the intervention?
3. What training, support, and resources are required to deliver it?
4. When will it be delivered? How often? For how long?
5. Who will oversee and assess the intervention?
6. What is the communication protocol for notification to student, parent, adult ally, advisor? (From whom does official notification come? Who crafts the communication? Who disseminates communication to the right people?)
7. What are the challenges? What will you do to overcome them?
