Child's name _____

Dear Family, Your child is learning to put two sounds together to make a new sound.

Each letter has at least one sound. Sometimes you can put two letters together and make a new sound.

Examples:

w + h = "wh" as in white

e + a = "ea" as in head

o + o = "oo" as in cook

- Read the following silly sentences.
- Circle the two letters that make a new sound.
- Write the two letters on the lines.

"Why white wheels?" Whitney whispered. w h

Look! The cook is reading a book.

When the weather is cold, I wear a sweater,
leather shoes, and a hat on my head.

- **More Fun:** When ghosts make the sound "Whoooooo," does this sound remind you of anything? What?
