Child's name _____

Dear Family, Your child is learning to read words with several syllables by finding the beginning, the middle, and the end of long words.

You can figure out the meaning of a new word by learning about its parts. The **root word** is the word base. The **prefix** is the part in front of the root word.

- Put the prefixes and root words together to make new words. Write the new words on the lines and read them aloud.

Prefix	+	Root word	=	New word
non	+	fat	=	_____
re	+	read	=	_____
un	+	safe	=	_____
dis	+	like	=	_____
un	+	kind	=	_____

- **More Fun:** Look in a newspaper or magazine. Find three words beginning with the prefix un-. Write them here.
