Dear Family, Your child is learning about the use of different parts of a book.

Match the words to the correct meanings by writing the matching number on the correct line:

1. table of contents  ____ tells what each chapter is going to be about
2. title page ____ tells words and their meanings
3. glossary ____ at the front of the book, lists the chapters and page numbers
4. index ____ at the back of the book, tells where to look for information
5. chapter heading ____ tells the title and author of the book

Child’s name ______________________________________

Child’s signature ____________________________________

Parent’s (Learning Partner’s) signature ____________________
