Dear Family, Your child is learning to read compound words, which are two or more words put together, like sandbox.

Sometimes two or more words are put together to make a new word. For example, sand + box makes sandbox. This is a compound word.

- Practice reading the word list below. Then draw a line between the words that make up the compound word.

  Example: sand/box

  roadrunner
  afternoon
  breakfast
  bathtub
  textbook
  summertime

- More Fun: Look for compound words in books you read.
