Dear Family, Your child is learning to read contractions.

Contractions are formed when two words are put together to make a new word. In a contraction, one or more letters are left out and an apostrophe (’) takes their place.

Here are some contractions:

- can’t (can + not)
- he’ll (he + will)
- I’ve (I + have)
- shouldn’t (should + not)
- won’t (will + not)
- they’re (they + are)
- he’s (he + is)
- wouldn’t (would + not)
- we’ll (we + will)
