Sometimes, you can figure out a new word from the other words in a sentence. You can ask yourself, “Does the word make sense?” “Does it sound right?” and “Does it look right?”

Example: The weather is cold, wet, and foggy.

You already know the words the, is, cold, wet, and, and foggy. You can guess weather.

Remember to ask:

“Does the word make sense here?” Yes
“Does it sound right?” Yes
“Does it look right?” Yes

• Ask yourself these questions as you read the following sentences:

A square has four sides.

A rainbow has red, yellow, and blue colors in it.

The ball is bouncing.

The sun is shining bright.
