Dear Mr. Balzan and Mr. McIntosh:

The Rehabilitation Services Administration (RSA) acknowledges the Wyoming submission through the RSA website of the FY 2014-2016 State Plan for Independent Living (SPIL) in the form of the signed assurances (Part I) and the narratives (Part II) in compliance with Title VII, Section 704 of the *Rehabilitation Act of 1973*, as amended (Rehabilitation Act). In addition, RSA approves the additional assurance, submitted to the RSA website which RSA has deemed necessary to ensure the state's compliance with the assurances in Part I, sections 1 through 8, as a condition for approval of this SPIL.

The SPIL was reviewed to ensure conformity with statutory provisions of the Rehabilitation Act, the implementing regulations and administrative requirements of RSA. RSA approves the Wyoming FY 2014-2016 SPIL based on the submitted assurances, narratives, and the additional assurance referenced above. Both the DSU and the SILC are responsible for ensuring that the SPIL assurances and activities are implemented in accordance with federal requirements.

In accordance with this approval of the SPIL and the additional assurance, RSA is making available to Wyoming its Title VII, IL Part B grant award effective October 1, 2013. Please be advised that RSA will closely monitor the state's compliance with and implementation of the actions of the additional assurance. As a component of that monitoring, RSA may request that the designated State unit and the Statewide Independent Living Council provide periodic updates and status reports.
