In addition, RSA acknowledges receipt of the assurance, submitted on August 21, 2012, to complete the activities necessary to fulfill the assurance under which the FY 2012 State Plan was approved.

The State Plan, in the form of a preprint of affirmative assurances and any required attachments, and the assurance of compliance were reviewed to ensure conformity with statutory provisions of the act, implementing regulations and the administrative requirements of RSA. In accordance with this approval of the State Plan and accompanying assurance, RSA is making available to Nevada its FY 2013 Title I, Part B, and Title VI, Part B, grant awards. Please be advised that RSA will closely monitor NRD's activities in support of the assurance it has made.

The approved FY 2013 NRD State Plan will be published by RSA and available to the general public on RSA's Web site by Monday, October 1, 2012.
